

Herb Fed Free Range Chicken

“A plump golden chicken, moist to eat. The flavour is mildly of chicken with a particularly good flavour on the leg meat. The texture is good.”

GREAT TASTE JUDGES; HERB FED FREE RANGE CHICKEN

An ideal weekend roasting bird, averaging 2.1kg. Sold either in recyclable plastic Herb Fed packaging or naked with our Herb Fed food safe labels and rosemary sprig.

We also offer a full range of chicken cuts, as well as chicken liver and carcass, all butchered and packed by our skilled butchers in our SALSA and FSA approved processing unit.

We can cut & calibrate to your specification and even flatten chicken to specified thickness with our schnitzel press, ensuring consistency and equal cooking time, useful for the events and restaurant trade.
