

## Herb Fed Free Range Christmas Rooster

“ This cooks to a great golden colour, with alluring aromas, and the juices and skin have savoury depth. The breast meat is moist and firm and both brown and white meat have a rich, satisfying old-fashioned chicken flavour. A chicken that has been given time to fulfil its potential. ”

GREAT TASTE JUDGES; HERB FED FREE RANGE ROOSTER

Produced only once a year for Christmas Day, Herb Fed Christmas Roosters offer a classic alternative to our Herb Fed Free Range Turkeys.

Roosters are wet plucked and start at 3kg. They are well presented and come individually box and gas flushed with the weight on the box.

All Herb Fed Roosters come with:

- vacuum packed giblets
