

Herb Fed Free Range Bronze Turkey

“ This is a handsome, well-shaped turkey which would be admired when brought to the table. The breast meat has ticked an often-unticked box which is to be moist and with distinctive flavour, which is impressive for a beast this size. The judges particularly enjoyed the dark meat, which has a satisfying gaminess. This turkey was perfectly cooked and proved a success with all judges. ”

Great Taste Judges; Herb Fed free range Bronze Turkey

Our Free range, game hung and dry plucked bronze turkeys are processed on-site and hand finished by our skilled team to give the finest bird.

We provide whole bronze turkeys, turkey crowns and breast and leg joints - all individually boxed with the weight on the box.

All Herb Fed turkeys come with:

- vacuum packed giblets
- cooking instructions
- a packet of fresh Christmas herbs
- 'Perfect Christmas Stuffing' recipe card
