

Herb Fed Free Range Chicken

“ This chicken has beautiful golden colour. The aromas are robust and inviting. The meat looks juicy when cut. The breast meat is moist and has excellent chew. The leg meat has oodles of buttery chicken flavour and is super-tender and silky in the mouth. The skin is beautifully rich with concentrated chicken flavour. This is a really luscious and tasty bird. ”

Great Taste Judges; Herb Fed free range chicken

An ideal weekend roasting bird, averaging 2.1kg. Sold either in recyclable plastic Herb Fed bags, or naked with our Herb Fed food safe labels and a sprig of rosemary.

We also offer a full range of chicken cuts, including chicken liver and carcass, all butchered and packed by our skilled butchers in our SALSA and FSA approved processing unit. We can cut & calibrate to your specification.
